

# 2016 FLC Tech Focus: Water Innovation Virtual Forum

October 26, 2016

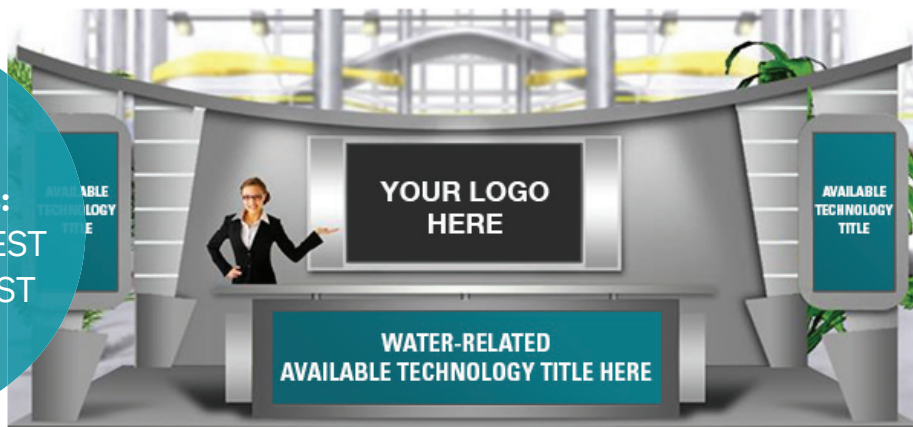

## BECOME AN EXHIBITOR

### SHOWCASE UP TO 3 OF YOUR WATER-RELATED LAB'S AVAILABLE TECHNOLOGIES FOR FREE!

Join us October 26, 2016 for the 2016 FLC Tech Focus: Water Innovation Virtual Forum. Your laboratory will have the opportunity to showcase its available technologies, network with lab and industry representatives to build collaborative partnerships, and gain valuable entrepreneurial connections.

Market your federal innovations for commercialization at the virtual event and become an exhibitor today! For more information, visit [wivf.federallabs.org](http://wivf.federallabs.org).
