

2016 FLC Tech Focus: Water Innovation Virtual Forum

October 26, 2016

SUPPORTER OPPORTUNITIES

Become a supporter of the 2016 FLC Tech Focus Water Innovation Virtual Forum!

Your business will have the opportunity to find water-related federal technologies ready for commercialization, gain significant marketing exposure, and network with federal laboratory and industry representatives to build potential partnerships.

Take advantage of all the virtual forum has to offer and meet your business needs with federal innovations by becoming a Supporter! Visit wivf.federallabs.org for more information.
