**GREETINGS FROM THE HONOURABLE MICHELLE REMPEL, MEMBER OF PARLIAMENT
FOR CALGARY NOSEHILL**

I wish to extend my greetings to everyone attending the online Virtual Career Fair 2018 hosted by Immigrant Services Calgary. As both a Member of Parliament and the Opposition Critic for Immigration, Refugees and Citizenship, I have seen time and time again the excellent contributions newcomers make to Canadian society. My work has also taught me the importance of connecting skilled professionals and employers to one another for our country's prosperity.

Previous Virtual Career Fairs have proven tremendously successful in helping to connect newcomers to Canada and employers. These events connected 56 Canadian employers with 1,600 international professionals from over 60 countries, proving just how impactful these career fairs are.

I would like to congratulate the organizer Immigrant Services Calgary and all who have been involved in ensuring this career fair helps both employers and professionals connect and thrive. I would also like to wish all involved in today's career fair continued success in their endeavours.

Sincerely,

Hon. Michelle Rempel, P.C., M.P.
