Message from Honourable Rachel Notley Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to send greetings to everyone taking part in Immigrant Services Calgary Virtual Career Fair.

In an age of interconnectivity and innovative online technology, our world is smaller than ever. Through this virtual career fair, newcomers and recently settled immigrants will have an opportunity to connect with Alberta employers.

Today, Alberta's economy is more diversified and it is growing – the fastest in Canada with more than 90,000 full-time jobs added since January 2017, and I am so grateful for the ways that this virtual career fair will make life better for our newest neighbours. Our province has always been a place for newcomers and international skilled professionals to forge a new path, seize opportunities, work hard, and make life better for themselves and their families.

I thank the Immigrant Services Calgary for hosting this career fair. Your efforts help strengthen our communities as welcoming and inclusive places where people from every corner of the globe can contribute and thrive.
