

Harvest fresh insights on maternal and child health!

The Nevada Statewide Maternal and Child Health (MCH) Coalition invites you this fall to **Camp Homegrown: Nurturing Nevada's Families from Roots to Resilience**. It will be a day of cultivating community, nourishing support, lively activities, and fruitful presentations centered on maternal, child, baby, and family-related topics.

The Nevada Statewide MCH Coalition believes that every child deserves a healthy start – it's the best gift a community can give to its children. The Nevada Statewide MCH Coalition works with community partners to advocate for preconception health, developmental screening, breastfeeding, physical activity, and more for growing families.

To better serve the entire state of Nevada, the MCH Coalition offers membership, resources and support in Northern and Southern Nevada. Together, the Northern and Southern Nevada Coalitions serve to nurture and enhance the knowledge and capacity of the healthcare community to serve the needs of families.

Why join the harvest with us?

Participating in this symposium through sponsorship opportunities allows you to be part of cultivating a thriving community, planting the seeds of support to nourish maternal and child health for generations to come. Your sponsorship will resonate across diverse audiences—families, clinicians, researchers, policymakers, and advocates. Together, we'll sow the seeds of change and watch them grow far and wide!

Most importantly, we're looking for campers. Experience the harmony of a thriving harvest and immerse yourself in evidence-based discussions, innovative strategies, and community-driven solutions—where ideas grow and nourishment begins. We welcome parents and caregivers who are interested in learning more as well as community partners who support and advocate for parents and children. Attendees can register here beginning June, <https://camphomegrown2025.vfairs.com/>.

We hope to offer a safe space for families who may feel uprooted or weathering a tough season. Our goal of the day is to ignite a signal fire in our community to strengthen the support that's offered in Nevada.
