vFAIRS

3D Booth Layouts Catalog

This document serves as a catalog of booth designs options to choose from, while setting up your booth for the virtual event on the vFairs platform.

Please note that if you (the client) wish to implement custom booth designs or need any changes in the existing avatars, for example, the avatars' outfit color etc, then you need to submit a request to your project manager at vFairs for custom booth design/avatars.
