

Updating Your Exhibitor/Sponsor Profile

Follow the steps below to update your exhibitor profile information.

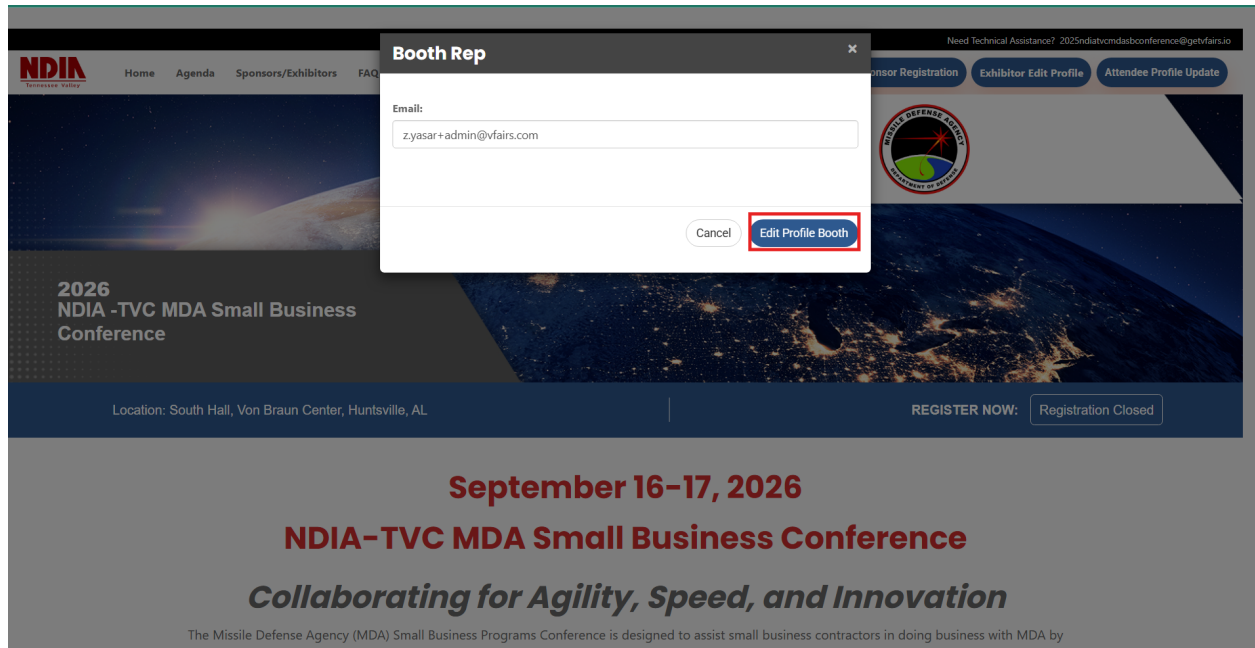

Step 1: Open the Exhibitor/Sponsor Profile Update Portal

- On the event [website](#), click the **Exhibitor Edit Profile** button.

Step 2: Access Your Booth Profile

- A pop-up window will appear.
- Enter the **email address** you used to register as an exhibitor/sponsor.
- Click **Edit Booth Profile**.

Step 3: Update Your Information

- A new page will open with your exhibitor/sponsor profile already populated.
- Update any necessary booth or profile information.
- Once you have finished making your changes, save your updates before exiting the page.
- Make sure to fill and upload [NPA form](#)
