

CANADIAN CIT SUMMIT 2026

Improving Crisis Response Systems

CIA CA Summit, Hamilton, Ontario: **October 19 & 20, 2026**

Coordinator Certification Course: **Oct. 18, 2026, 8:00 a.m. – 5:00 p.m.**

CIT International's Coordinator Certification Course

8 Hours of Instruction | Delivered by Master Instructors from CIT International

Successful CIT programs have individuals who are at the heart of the programs, facilitating the relationships and managing the day-to-day aspects of the programs. These individuals—dedicated behavioral health professionals, law enforcement officers, advocates, and more, are CIT coordinators. Coordinators build trusted partnerships to improve crisis response systems.

By successfully completing this course and passing the required testing, you will be certified as a CIT coordinator for 3 years and will receive membership into CIT International, for as long as your certification remains valid. Additionally, you will have access to online resources only available to currently certified CIT coordinators. Those becoming certified for the first time will receive a hard copy of "Crisis Intervention Team (CIT) Programs: A Best Practice Guide for Transforming Community Responses to Mental Health Crises".

- **Must register for the Canadian CIT Summit in order to register for the Oct. 18 Coordinator Certification Course**
- **Questions about the course?** Contact: Marianne Halbert marianne.halbert@citinternational.org
