

RECOVERY MEETS COMFORT

For the ultimate in recovery and relaxation, meet the **Human Touch® AirTech ZG PRO**. The dual-motor power design allows independent footrest and backrest control, while the intuitive remote and quick-access dial makes it easy to find the ideal position to relieve tension and soothe sore muscles. Experience the built-in air massage technology to help improve circulation and range of motion, while proprietary memory foam, soothing heat, and powered lumbar support offer enhanced comfort for complete tension relief.

Featuring Human Touch SAFE™ antimicrobial SōfHyde upholstery, the AirTech ZG PRO is both stylish and easy to maintain, making it ideal for any space focused on recovery and wellness.

Proprietary memory foam in the back, seat, and pillow conforms to your body's unique contours.

Elevation of the legs above the heart helps improve blood flow.

A revolution in seating design, the dual-motor power allows independent positioning of the recline angle and leg elevation.

Neutral-posture positioning evenly distributes your body weight to eliminate painful pressure points.

Zero gravity positioning allows for deeper, more relaxed breathing.
