

RECOVER LIKE A PRO.

The **Perfect Chair® PC-PRO** gives you the power to independently position your recline angle and leg elevation with dual-motor power for infinite comfort positions. Our iconic Perfect Chair architecture and zero gravity ergonomics are still the best in the industry, and endorsed by physicians as the healthiest way to sit.

Stylish design cues, Human Touch SAFE™ antimicrobial upholstery, and comfort make it perfect for any décor. Welcome to the perfection of perfect.

DEFY GRAVITY®

The **zero gravity** position cradles the back and elevates the legs above the heart to help:

- Relax and rejuvenate the spine by naturally decompressing the vertebrae
- Improve blood flow and reduce swelling
- Expand lung capacity for deeper, more relaxed breathing

Perfect Chair® — PRO —

1

FULL-SUPPORT HEAD PILLOW

The comfort pillow cradles the head and neck while providing ergonomic support.

2

ARTICULATING HEADREST

Customize the optimum angle of comfort, maximizing neck support at any recline angle.

3

5-WAY CONTROLLER

The intuitive 5-way omni-control on our most adjustable Perfect Chair offers infinite comfort positions with a simple press and hold for zero gravity.

4

INDEPENDENT LEG AND BACK ADJUSTABILITY

A revolution in zero gravity seating, the PC-PRO has dual-motor power to independently position the recline angle and leg elevation.

5

BATTERY SAFETY FEATURE

Back-up battery will restore the chair back to the upright position in case of a power outage.
