

WE GENERATE SCALABLE, INCREMENTAL REVENUE FOR GYMS AND STUDIOS

Wellhub is the world's largest corporate wellness platform - trusted by over 100,000 gyms, studios, and wellness providers globally, including more than 25,000 in the U.S. It works as an outsourced corporate sales channel, connecting fitness and wellness partners to 40,000+ employers—from fast-growing local businesses to global leaders.

We deliver **new, high-quality members** directly to your business

90%

of Wellhub users visit a gym or studio they had not previously attended

3-5x

Higher enrollment rates than other solutions

+107%

increase in global payouts to partners between 2024 and 2025 alone

We connect you to companies investing in employee wellbeing

We're committed to your growth.
Let us do the heavy lifting.

New, high-quality members, supported and encouraged by their employer on their wellbeing journey.

An unique **engagement engine** and curated **wellness plans** that generate higher enrollment than other solutions.

A commitment to fair economic terms and alignment with your revenue and member goals.

No risk, all benefit. Wellhub doesn't charge network registration or cancellation fees.

Easy integration with your booking system, offering a seamless customer experience.

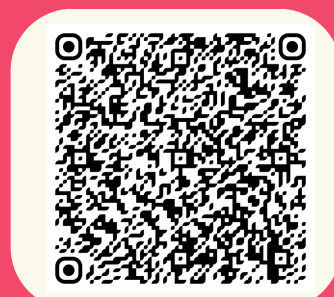

Operational and business support to resolve any queries and drive success.
