WELCOME MESSAGE FROM JAY P, CHAIR OF CAWS2025

Welcome.

We are waiting for you with a great deal of anticipation. We are proud of our Place in the Sun, called home. We have amazing experiences waiting to be shared with our host of friends. May is a great month to visit Arizona. It's warm during the day and cool at night. Pools, hikes, horseback riding, drum circles and golf are just a few experiences you can partake in. But perhaps, the most memorable will be the Arizona sunsets. Make sure you share them with somebody.

Our house, for the event, is the beautiful Double Tree Resort in Scottsdale, Arizona. The rooms are spacious and have patios or balconies. The resort sits on 20 acres, and every room will be used for the Party. And guess what? It's all ours! Every person on site will be family. Scottsdale is world known for shopping, restaurants and site-seeing.

Our fellowship will be waiting with open arms (coming in for a hug)! Together, we will embrace this unlikely second chance at life. So please, come, visit us and allow us the privilege of rolling out the red carpet for you. All you have to do is get here. We will take care of the rest.

COMMITTEE CHAIR SPOTLIGHT

Hey everyone!

I'm Sarah, your CAWS 2025 Special Events chair, and I'm here to make sure your time in the Arizona desert is packed with fun, adventure, and just a pinch of mischief. Buckle up, because we've got an epic lineup of events that'll make you love this place as much as we do!

Thursday Morning: We're kicking things off with a golf tournament at one of our fantastic courses. Grab your clubs (or rent a set), assemble a team of 4, and prepare for a scramble of epic proportions. It's not just about sinking the putts—it's about making memories and basking in the glory of our awards ceremony and luncheon. Hit us up if you want to join a team or need to rent some gear!

Friday Morning: Saddle up for a true cowboy/cowgirl experience with Cave Creek Outfitters. You'll be riding through the desert with pro wranglers who'll school you on the local flora and fauna. Don't worry, they're friendly and won't make you wrestle any rattlesnakes (unless you're into that sort of thing).

Friday Evening: Get ready to embrace your inner night owl with a hike under the desert stars. Yes, we Arizonans' hike at night to avoid turning into human puddles. It's like a normal hike, but cooler—and with fewer sunburns!

Saturday Morning: For those who can't get enough horseback riding, we've got a second chance for you to ride into the sunrise. Spots are as limited as a cactus in the snow, so book fast!

Sunday Morning: We'll cap off the adventure with a double whammy. First, a steamboat cruise on Canyon Lake, where you might spot everything from majestic red rocks to elusive Big Horned Sheep. Then, we'll head to Goldfield Ghost Town for a wild west experience that's more fun than a barrel of tumbleweeds. Mine tours, gold panning, and quirky shops await!

We hope you dive into at least one of these events and experience a slice of why we're head over heels for the Valley of the Sun. This agenda has a little something for everyone, and we can't wait to share our Arizona love with you!

See you out there! 🌵 🏜️ 🚀
