

# TOP TIPS

Working From Home Show

Thursday 30th - Friday 31st July 2020

Thanks for registering for the Working From Home Show. We know that virtual events are new to some, so we've made it as easy as possible for you to navigate the event. Take a look at our top tips for attending.

**1** You can watch sessions in the Stages. Click on the Stage you wish to join, choosing from the Masterclass Stage, Main Stage or Expert Advice Panels.

**5** Check out our handy User Guide in the navigation bar

**2** Exhibitors are really there! Click 'Live Chat' to discuss a quote, ask a question or view their products and services.

**3** Logging in is easy. Simply visit [workingfromhomeshow.vfairs.com](http://workingfromhomeshow.vfairs.com) and login from 10am - 5pm each day using your email.

**4** Check out the Resources and Video Vault on the navigation bar. You can add any resources to your Show Bag, which you can email to yourself at the end of the show.

**6** For any Technical Assistance, visit the Information Desk where a member of the team can instantly help.

**7** Remember, the event is free to attend and you can drop in and out as you please, over two days.

Visit our Exhibit Hall where you can browse easily by category. From hardware, software, security, VPNs, management tools and the workspace options. You'll find everything you need in one place. You'll also be able to chat live, arrange one to one meetings and leave your details with key suppliers for a call back. Here's a list of who you can see at the show:
