THELMA ELLIS DICKERSON'S ELEMENTARY SCHOOL

GRADES PRE-K - 4

Our flagship school, affectionately nicknamed "TED" in honor of the illustrious founder is a NAEYC Accredited Pre-K- Grade 4 elementary academy. This school serves as the model for each of the Jumoke Academy expansion schools that have followed. The elementary school is the heart of our organization.

Most of our middle school scholars started their school years here at TED, and continued through the halls of the other Jumoke Academy Schools. TED has a vibrant family community and staff and is a one of a kind place for education for our scholars.

Jumoke Academy's Pre-K program is fully accredited by the National Association for the Education of Young Children.

JUMOKA ACADEMY HONORS AT THE HARTFORD CONSERVATORY

GRADES 5-8

"JAH-HC" is an honors middle school located in Hartford with an arts integrated focus. Scholars participate in a rigorous, standards-aligned academic program in English/language arts, mathematics, science, and social studies. In addition to these subjects, scholars participate in extensive arts studies that include: instrumental music, visual arts, dance, and multimedia. The arts are also infused throughout the curriculum.

What we Offer:

- Visual Arts | Dance | Band | Multimedia
- A NEW State of the Art Science Lab
- World Language in Grades 5-8
- Theater-In-Residence Program
- High School Prep Classes & Transition Planning
- Personalized Instruction & Small Class Sizes
- Algebra
- Before and After Care

JUMOKA ACADEMY HONORS SCIENCE, MATH AND RESEARCH TECHNOLOGY

GRADES 5-8

"JAH-SMaRT", is an Amazon Future Engineer STEM themed middle school with a mission to develop our scholars into mature, young adults who will make valuable contributions to the global society. Eighth graders will leave JAH-SMaRT with a desire to question the world around them and the 21st century skills necessary to change it for the better!

Scholars at JAH-SMaRT participate in a rigorous academic program in language arts, math, science and social studies. In addition to these subjects, scholars take rigorous computer science courses, world language in grades 7 & 8, and Algebra I in grade 8.

What we Offer:

- State of the Art Science Lab
- World Language in Grades 7 & 8
- High School Prep Classes
- Enrichment Clubs
- Computer Science
- Algebra
