The screenshot shows a web browser window with the address bar containing the URL `https://meet.vfairs.com/?session=80d79115`. A light blue bar at the top right of the page contains the text "minutes" and a language dropdown menu set to "English". In the center of the page, a white dialog box is displayed with a dark background. At the top of the dialog are two icons: a camera with a red 'x' and a microphone with a red 'x'. The text inside the dialog reads: "This service wants to use your camera and microphone" followed by "In order for others to see and hear you, your browser will request camera and microphone access." At the bottom of the dialog is a blue button with the text "Request permissions".

For assistance, please email Rohma@vfairs.com and Shylee.Turner@TRS.Texas.gov
Due to the large number of attendees, response may be delayed
