AFCEA CeVA
AFCEA CENTRAL VIRGINIA CHAPTER

CHARLOTTESVILLE | CULPEPER | RICHMOND
AND THE SURROUNDING AREA

The AFCEA CeVA Chapter is **a community of professionals dedicated to advancing and promoting technology in the Public Sector**. Serving Greater Charlottesville, Richmond, and surrounding areas. **We connect military, veterans, government agencies, industry, and academia**.

The CeVA chapter serves the **Defense and Intelligence Industry** in the Greater Charlottesville area to include several local large and small businesses, the Defense Intelligence Agency, National Ground Intelligence Center, National Geospatial Intelligence Center, and US Army. Our chapter has quarterly luncheons with speakers such as senior executives within the DIA, NGIC, and Army INSCOM. We have also had speakers from academia and industry related to Cyber, Biometrics, ISR, data science, big data and other current threats or capability.

We continue to **spotlight organizations at our luncheons** to provide more visibility to the current events in our area. We award **STEM teaching grants** to local teachers and award **scholarships** to women and minorities in STEM related fields.

PLEASE REACH OUT TO THE TEAM IF YOU WOULD LIKE TO GET INVOLVED IN OUR CHAPTER!

Please reach out to our team with any questions you have about the 2025 Data Centric Summit and how to get involved. If you're interested in joining our chapter or becoming a part of the Board of Directors, you can send an email to **events@centralva.afceachapters.org***!*

Dear Reader,

The AFCEA Central VA (CeVA) chapter serves the Defense and Intelligence Industry in the Greater Charlottesville and Richmond areas to include several local large and small businesses, the Defense Intelligence Agency (DIA), National Ground Intelligence Center (NGIC), National Geospatial Intelligence Center, the National Radio Astronomy Observatory (NRAO), and the US Army.

Our chapter has quarterly luncheons with speakers such as senior executives within the DIA, NGIC, and Army INSCOM. We also had speakers from academia and industry related to Cyber, Biometrics, ISR, data science, big data and any current threats or capability.

We continue to spotlight local Small Businesses at our luncheons to provide more visibility to the small businesses in our area. We award STEM Teaching grants to local teachers and award scholarships to women and minorities in STEM related fields.

We look forward to seeing you at our next event!

Fondly,

The AFCEA CeVA Board of Directors
Adrian, Adam, Seth, Rick, Lauren, Matt, and James
