WHAT IS A **VIRTUAL** EDUCATIONAL FAIR?

- Connects education credential holders, substitutes, paraprofessionals, classified staff, administrators, interns, counselors, and other school personnel with school agencies.
- Customized exclusively to the education profession.
- Simulates the look and feel of a real fair through an online platform.
- Supports live chats and video conferences from the office or home.

California districts and counties are committed to creating a school climate that is reflective of the state's diverse student population. All candidates receive consideration for employment, without regard to race, color, religion, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status
