4th Multiple Sclerosis Multidisciplinary Summit

12th November 2025

Dr. Raed Alroughani
Summit Chairperson
MS Clinic Director
Al-Amiri Hospital, Kuwait

It gives me great pleasure to invite all members of the Multiple Sclerosis medical community to participate in the fourth iteration of MS Multidisciplinary Summit (MMS). This Summit aims to enhance and promote the collaboration between different medical disciplines and specialties to tackle the emerging challenges and needs of MS patients and provide a holistic approach towards MS management through a multidisciplinary team approach.
