

# MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the Immigrant Services Calgary Virtual Career Fair.

In our digital age, connecting people with opportunity is easier than ever. This virtual career fair is a wonderful way for newcomers and recently settled immigrants to interact with Alberta employers, explore available positions and apply for jobs.

Our province has always been a place where newcomers and international skilled professionals can forge fresh paths and make the most of new possibilities for themselves and their families. Alberta's diversity is one of our greatest strengths, and I'm grateful for the ways our newest neighbours contribute to our communities. I'm grateful, too, that this career fair will help them as they build lives here.

Thank you to Immigrant Services Calgary for organizing and hosting this career fair, and for your continued efforts to make Alberta a welcoming and inclusive place where people from around the world contribute and thrive.

A blue handwritten signature of Rachel Notley.
