

THE GOVERNOR GENERAL · LA GOUVERNEURE GÉNÉRALE

Greetings to all those taking part in the 5th Virtual Career Expo, organized by the International Talent Acquisition Centre (In-TAC).

Our society is most effective when we work together, when we share our knowledge and our talents, and when we welcome everyone coming to Canada for new opportunities.

In-TAC connects employers with professionals—particularly new immigrants—who wish to contribute to their new home and community, in addition to supporting their families. A country that is open, tolerant and diverse must give newcomers an equal chance to succeed and recognize how they can enrich the workplace and society as a whole. I hope that those searching find the job that fits their skills and needs, so that they can fulfill their greatest aspirations in Canada.

My very best wishes to everyone participating in the expo.
