

THE LIEUTENANT GOVERNOR OF ONTARIO
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

October 18, 2018

It is with pleasure that I extend warm greetings to all taking part in the In-TAC 5th Virtual Career Expo.

Previous editions of this event have connected an impressive 192 Canadian employers with thousands of professionals from more than 130 countries. Such a record of success demonstrates what can come from international engagement as well from the embrace of inclusion and diversity, ideals underpinning this country's growing resilience in the face of an ever-evolving economy.

May all participants enjoy and make the most of this tremendous networking opportunity. You have my best wishes.
