A MESSAGE FROM MAYOR NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, it is my pleasure to welcome you to the International Talent Acquisition Centre (In-TAC) Pre-Arrival Services 5th Virtual Career Expo.

This expo, with an anticipated 5,000+ participants, provides a wonderful opportunity for talented individuals from around the world to interact with Canadian employers in need of their skills. Providing this virtual venue to professionals who are approved to immigrate or have recently immigrated is important to building a successful life in Canada, and assisting employers facing labour challenges.

I commend In-TAC for building on the success of their previous career expos which have resulted in many success stories of Newcomers to Canada having new jobs in hand as well as individuals receiving approval from the Government to land in Canada after scheduling and participating in online interviews with potential Canadian employers.

To the skilled professionals taking part in the expo, I hope you will consider building a career and a life in Calgary, as our city has so much to offer.

I wish all the employers and job seekers great success!

Congratulations!

Sincerely,

Naheed K. Nenshi
