

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, I am pleased to send greetings to everyone participating in the International Talent Acquisition Centre's 5th Virtual Career Expo.

In today's age of interconnectivity, this event plays an important role in connecting Canadian businesses with skilled professionals around the globe. Our government is proud that Immigrant Services Calgary and the Immigrant Services Society of British Columbia are making these connections a reality by organizing this event.

We hope Canadian newcomers and businesses will consider calling Alberta home. Our province is an excellent place for newcomers to create a new path, work hard and make their dreams a reality. Our government is also hard at work to support Alberta businesses and entrepreneurs. We're building a diversified economy and offering tax credits to stimulate investment while protecting vital public services.

I wish you a productive and enjoyable experience at this year's Virtual Career Expo. And welcome in advance to those newcomers who decide to set down roots in Alberta!
