

OFFICE OF THE MAYOR
THE CITY OF REGINA

MESSAGE FROM THE MAYOR:

Welcome to the 8th Virtual Career Expo!

As Mayor of Regina, I appreciate your interest in working in Canada. Our city boasts a large, diverse, and welcoming population with a significant multi-cultural focus, and we are fortunate enough to continue to see job creation and economic growth despite the challenges currently being seen around the world.

We are one of the nation's economic leaders in recent years, with a wide array of opportunities across all industries. We have received significant international attention for the quickly expanding technology and value-added agriculture sectors in particular, and are hoping to see significant strides forward in these fields in the future.

I encourage you to consider Regina as a potential destination for you and your family.

Sincerely,

Michael Fougere
Mayor
