

# MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the 8<sup>th</sup> Annual International Talent Acquisition Centre (In-TAC) National Virtual Career Expo.

In these challenging times, it is more important than ever to facilitate access to employment in our province and across the country. This annual event continues to provide a valuable forum for job creators and job seekers to connect. I appreciate In-TAC's commitment to supporting employers and providing them with a unique process for reaching out to the skilled professionals they need. Getting folks back to work is critical as Alberta and Canada continue along the path to recovery.

Best wishes for a successful event.

Hon Jason Kenney, Premier of Alberta
