

THE LIEUTENANT GOVERNOR OF ONTARIO
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

September 22, 2020

The COVID-19 pandemic has radically affected Canada's workforce. Employees and employers alike are facing unprecedented challenges.

Diversity and inclusion are at the heart of a sustainable and resilient recovery, and I commend the International Talent Acquisition Centre for stepping up to connect businesses with new Canadians through its Virtual Career Expo.

May all participants enjoy and make the most of this networking opportunity. I wish you all success and good health.
