A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, I am pleased to welcome everyone to the 8th National Virtual Career Expo presented by the International Talent Acquisition Centre (In-TAC).

This Virtual Career Expo continues to attract impressive participation and provide an important resource that connects Canadian employers with candidates from all over the world. Working with thousands of registrants in over 100 countries, In-TAC plays a valuable role in helping combat labour shortages by introducing recruiters to highly skilled workers. I would like to extend my appreciation to BC host organizations for supporting these internationally trained workers in their growth and development.

I know that an online job fair of this magnitude takes an incredible amount of time and energy to organize, and I would like to acknowledge the dedicated efforts of everyone involved in making this process possible.

Please accept my best wishes for a productive networking experience! May you build many lasting relationships.

HONOURABLE JOHN HORGAN
PREMIER OF BRITISH COLUMBIA
