

Premier of Ontario - Premier ministre de l'Ontario

April 22, 2021

A MESSAGE FROM PREMIER DOUG FORD

I'm delighted to extend warm greetings to everyone attending the International Talent Acquisition Centre (In-TAC) 9th National Virtual Career Expo.

Ontario is proud to be home to a strong pool of talented professionals with roots from around the world. For generations, people have immigrated to our province to find opportunity, pursue their passion, and build a better future for them and their family. Their knowledge, talents, skills and hard work have helped build this great province and contributed to our prosperity.

I commend the amazing team at In-TAC who put together this virtual career expo to help connect internationally trained professionals with job opportunities in Canada. In doing so, you're helping build an even more competitive workforce for the future.

As we emerge from this unprecedented crisis, our diverse communities will play an important role in re-energizing our economy and getting us back on track. Our government will continue to work with all sectors to lay the foundation for our economic recovery, protect our people's health, and support families and job creators.

Best wishes for a successful expo.
