A MESSAGE FROM THE PREMIER

On behalf of all Manitobans, it is my pleasure to bring greetings to all those participating in the 10th National Virtual Career Expo, hosted by the International Talent Acquisition Centre (In-TAC).

As the world recovers from the unprecedented challenges caused by the COVID-19 pandemic, this event presents a welcome opportunity for Canadian employers to virtually connect with job seekers from across the country and around the world. Canada is the home of hope for many, and the type of networking the expo facilitates gives that hope new direction.

I join my fellow Manitobans in thanking In-TAC for organizing and hosting this event, and send my best wishes for a successful expo.

Brian W. Pallister
