

Point-of-Sale Systems for School Sports and Events

- Accept credit card sales at on-site box office or gates
- Track walk-up, cash-based ticket sale transactions
- Deliver tickets via text, e-mail or printed receipt
- Record on-site and online ticket sales with one system
- Access venue seat maps from HomeTown Gate app

Sell On-Site Tickets, Accept Credit Cards & Print Receipts

HomeTown provides schools with an easy-to-use, Point of Sale solution to manage on-site ticket sales with a cloud-based box office that records all online and on-site purchases in one central location. Easily handle walk-up sales, accept credit card payments, track cash-based transactions and deliver tickets to customers by text message, e-mail or printed paper receipt. HomeTown offers everything schools need to process fast, secure, mobile payments to get fans into the game quickly, conveniently and safely.

Mobile-Friendly POS

Enhance your digital box office with our on-site, mobile POS system.

Send Digital Tickets

Send mobile-friendly digital tickets to customers via text message or e-mail.

Track Sales & Attendance

Track attendance, on-site and online sales, all in the HomeTown Gate app.

Reduced On-Site Fees

Enjoy fee-free cash sales on site and Stripe-only fees for credit card sales.

Sell Tickets On Site at Events

The HomeTown Gate app serves as an easy-to-use POS system that allows schools to track cash and credit card ticket sales from your on-site box office or gate and provide fans with tickets to your events. The app is compatible with Apple iOS devices and is available for download in the iOS App Store.

Accept Credit Card Transactions

The credit card reader provides schools with a mobile-friendly solution to accept credit cards at events via tap, insert or swipe. On-site credit card payments are deposited into the district-wide Stripe account and recorded in your cloud-based box office alongside online ticket sales for each event.

Print Paper Tickets & Receipts

The portable thermal ticket printer allows your staff to quickly print tickets from the on-site box office or gate within seconds of purchase to expedite walk-up ticket sales, reduce long lines and get fans into the game faster. Say goodbye to rolled tickets with this easy-to-use, Bluetooth ticket printer.

Send Digital Tickets by Text or E-mail

Send mobile-friendly digital tickets to customers via text message or e-mail immediately after purchase directly from within the HomeTown Gate app. Or use our auto-check-in capabilities to allow your staff to collect payment and instantly check fans into the game without exchanging any tickets at all.
