Please log in <https://sasktradeshowcase.com>

18:00 – 19:25 **Conference Showcase and Business to Business meetings Session One**

19:30 – 19:40 **Welcome and Opening Remarks**

Chris Dekker, President and CEO, STEP

19:40 – 21:00 **Asia Trade Conference Webinars**

- *Endless Opportunities – Saskatchewan Agricultural Horizon*
- *Plant Protein Industry Overview and Trends*
- *Global Food Trends Outlook*

Description: Asia is a region that hosts many countries that are major destinations for Saskatchewan agricultural exporters. The STEP Asia Trade Conference will attract international buyers from Eastern and South Eastern Asian Markets which may include buyers from China, Indonesia, Japan, Malaysia, Myanmar, Philippines, Singapore, South Korea, Taiwan, Thailand, Vietnam, and other ASEAN countries. This is a unique opportunity to connect international buyers with Saskatchewan exporters without having to travel! In this webinar you will hear from James Kettle, Executive Director at Saskatchewan Ministry of Agriculture to give you an overview of the Province's agriculture and agricultural food sector and supply capacity. Yadu Dar, Director of Verdient Foods will speak on the exciting facts and future of the plant protein industry. Finally, Ken Theriault, President of COSTCO Japan, will provide his market insights on retail food sector and speak on the global food trends.

Master of Ceremonies: **Yi Zeng – Senior Director, Asia**
Saskatchewan Trade & Export Partnership
E-mail: yzeng@sasktrade.sk.ca

Speaker: James Kettel, Executive Director - Saskatchewan Ministry of Agriculture

James Kettel grew up on a mixed farm in Saskatchewan. He earned both a BA with Honours in Economics and his MA in Economics from the University of Saskatchewan. James started with the Ministry of Agriculture in 1998 as a Trade Policy Analyst and has also served as the General Manager of the Agri-food Council, a Director in the Policy Branch and since 2016 has served as the Executive Director of the Trade and Value-Added Branch within the Ministry of Agriculture.

Speaker: Yadunandan Dar, Director - Verdient Foods Inc. Canada / Ingredient Inc. USA

SaskTrade

SHOWCASE

Yadu Dar is Business Director, Plant Based Proteins at Ingredion Incorporated. He is responsible for driving revenue growth, business development and marketing for the Plant Based Protein Growth Platform. Yadu got his B. Tech in Chemical Engineering at the Indian Institute of Technology, Mumbai (India) and his PhD in Chemical Engineering at Michigan Technological University, Houghton MI.
