

# STUDENT NAVIGATOR

## WELCOME

Welcome to THINK CAREERS! We hope you enjoy your time in the THINK Career event. Don't forget to keep an open mind and use this as a chance to explore different options that are available to you in the workforce.

## CODE OF CONDUCT

We want to make sure that all participants feel safe and valued while they are at THINK Careers. Chat should only be used to ask questions or provide appropriate comments on presentations. Any violation of the Code of Conduct (outlined in the welcome video) will result in immediate removal from the event platform and a report will be sent to school administrators.

## LOGGING IN

Go to the event landing page [thinkcareersidaho.vfairs.com](http://thinkcareersidaho.vfairs.com) and enter your username and password to log in. When you enter the lobby go to the **INFO BOOTH** and watch the welcome video by clicking on the virtual screen located behind the Info Desk.

## NAVIGATING THE PLATFORM

The platform is easy to use. To get to any of the "rooms" just click on the name of the room from the **LOBBY** or select that feature from the **TOOLBAR** at the top of your screen. You can reenter the lobby or another room by simply clicking on the name of your desired location on the **TOOLBAR** at the top of your screen.

**PRESENTATIONS:** To view a workshop or presentation, enter the "room" where it is being held and click on the virtual screen. You will then be redirected to a session list where you can click on the Zoom webinar you want to connect to. You can also click on the button for any sessions you might find interesting as they pop up in your notifications.

**CHAT:** If you have questions about the event, enter the **INFO BOOTH** and click on chat to ask event staff a question. If you are in a **BOOTH** in the **EXHIBIT HALL** and click **CHAT** you will be able to ask a question directly to that company's representative. To get back to the platform, just click close in the upper right-hand corner of your chat screen. When in a Zoom webinar, you will use the Zoom chat feature at the bottom of your screen to ask questions and communicate with meeting hosts.

## SWAG BAG

Just like a regular conference or event, this virtual event provides you with a **SWAG BAG**. When looking through company booths you can save a document by clicking the **SWAG BAG** button next to the document's name. To view these documents, you can click on the **SWAG BAG** tab in the toolbar at the top of your page. You can email these documents to yourself, you can also reenter the platform for 30 days after the event to view documents or look through the booths.

## SCAVENGER HUNT AND LEADERBOARD

Light bulb icons are hidden throughout the platform. If you see one click on it to earn points on the **LEADERBOARD**. You can also earn points by completing a number of other tasks in the platform. Click on **SCAVENGER HUNT** in your toolbar to view tasks, scavenger hunt images, and point totals. The students at the top of the leaderboard at the end of the day will win awesome prizes!
