## SESSION

### Throttle up the Brain Power: Wiring Diagram Analysis, Circuit Color-Coding & You

#### DESCRIPTION

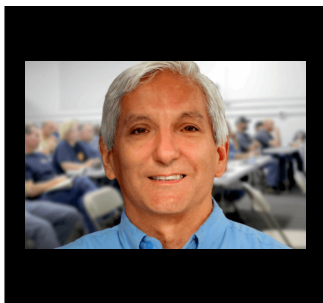

Ultimately, you are the engine that powers your success. Get in charge of the knowledge- building process with strategies and techniques for mastering and managing the complexity of wiring diagrams, circuits, and *you*.

An exercise-based class: Be ready with highlight markers which include: Red, Orange, Yellow, Green, blue, and Purple such as Office Depot brand 6 pack markers Item # 877678.

**Handout will be made available on the day of the class.**
