

## BIOGRAPHY

### Educator: Rich Falco, Jr.

Rich has over 30 years in the auto repair industry. His experience includes owning his own auto shop, working at dealerships such as Mercedes-Benz and Mitsubishi, and as an automotive technology instructor. He has instructed technicians in every aspect of automotive repair, with several students winning State and National competitions in auto repair skills. Richard is an ASE Master Technician. His technical experience includes Domestic, Asian, and European vehicles both at the dealer level, and as a successful shop owner. Rich currently takes care of our students throughout the southeastern U.S
