

BIOGRAPHY

Educator: Jim Cokonis

Jim graduated from High School with an academic diploma and went on to attend Nashville Automotive and Diesel college where he graduated with honors.

His career has spanned work in diesel fuel system repair and service, large fleet maintenance and repair as well as support services. The rapid changes in automotive technology with the advent of On-Board diagnostic systems caught his interest and imagination.

Jim was drawn to the problem solving nature of vehicle service and repair. He has provided on site service for other shops and started teaching part time in 2007. He has been in his current role as Senior Curriculum Developer with Carquest Technical Institute and Advance Professional since 2016.
