
SESSION

Making Room for Productivity: Get Out of Your Employees' Way!

DESCRIPTION

You need your employees to run like a well-oiled machine, because time is money, and money is, well...money!

As a former shop owner and the current CEO of Internet marketing agency Autoshop Solutions, Danny Sanchez has a lot of insight on how to align the gears of your business to maximize your employee productivity.

Between team building and growth opportunities, to providing employees the tools to be effective, learn to get out of your employees' way so that you can improve the morale and efficiency of your team.
