### Dear Alum,

As we begin a new year in 2020, this month is a perfect time to reflect upon the changes over the past decade and to set our sights on goals for both the new year and decade ahead. Andrews University has seen many changes over the past 10 years. **Buller Hall** was unveiled in 2011, the University welcomed a **new president, Dr. Andrea Luxton**, in 2016, and only a few short months ago we announced the Grand Opening of the new **Andreasen Center for Wellness**.

Exciting advancements and transformations are continually taking place throughout our Andrews schools and departments as well as within our community. Research,

*Please note that we can customize your communication preferences, if you prefer to only receive certain types of communication.*
