

World Changers Made Here.

World Changers Made Here.

Do you know “why?”

At Andrews University we believe that “Seek Knowledge and Affirm Faith in order to Change the World” not only defines who we are but also guides our day-to-day operations. As a result, our mission has naturally become a core part of our identity for students, faculty and staff, as well as the communities we touch and serve—locally, regionally and globally.

As a World Changer you want to use your talents, resources, passions and skills to make the world around you a better place. Whether changing the world means global missions or making a difference right here on campus, Andrews University is dedicated to helping you become a World Changer.

No matter your major, your nationality, your background or your interests, discover with us what it means to be a World Changer.

A handwritten signature in black ink that reads "Andrea Luxton". The signature is fluid and cursive, with a long, sweeping line extending from the end.
