Day 1 (Feb 24 2021)

From	To	Presentation / Keynote	Speaker	Description
10:00 am	10:03 am	Welcome Remarks by Organizer	Shariq AbdulHai CEO - Valiant Business Media	Welcome Remarks and Opening Keynotes
10:03 am	10:18 am	The Importance of Mining to Diversifying Arab Economies and Building for the Future	Khaled S. Alohali Senior VP (Corporate affairs and communication)-Ma'aden	Session 1
10:18 am	10:33 am	Challenges and Opportunities for the Arabian Mining Companies during COVID-19	Abdulaziz A. Al-Harbi Executive VP, Corporate Services & Security-Ma'aden	
10:33 am	10:52 am	Making the Arab mining and O&G sector benefit from industry 4.0	Gary Conway Head of Energy Sales MEA - Nokia	
10:52 am	11:06 am	GAF in the Mineral Sector - An Overview	Dr. Tobias Wever Head of Raw Materials Group - GAF AG	
11:06 am	11:31 am	MICHELIN Better Mining, Let's Team Up!	Fabien TAILLARDAT Michelin Africa India Middle-East - Mining Sales Director Andre STEENKAMP Michelin Africa India Middle-East - Customer Engineering Support Mining	
11:31 am	11:44 am	Mill Liner Design Consideration	Alexandre BRUWIER Technical Tube Mill Manager - Magotteaux	Session 2
11:44 am	11:57 am	Integrating Sustainability in Resource Development - Partnering with Community and Government	Alison Redford, Queens Council Director - Pan Pacific Resource Investment Ltd.	
11:57 am	12:12 pm	Cutting edge technology and the latest methods in the Mining industry: Internet of Things, Big Data, Artificial Intelligence, Mobile Analytical Laboratories, Aerial Vehicles, Drones, Automation and Remote Control in Extraction and Exploration.	Abdulaziz Nasser Al-Najim VP Projects (PME) & Business Improvement-Ma'aden	
12:12 pm	12:27 pm	Bringing 4G and 5G wireless technology to mining networks	Marc Jadoul Strategic Marketing Director -Nokia	
12:27 pm	12:42 pm	GAF in the Mineral Sector Geological Mapping	Dr. Bernd Schulte Project manager - GAF AG	
12:42 pm	12:58 pm	High tensile steel mesh for dynamic ground support and geohazard protection	Rico Brändle Director Mining Europe - GeoBrugg Thomas Hangartner Regional Manager Africa & Middle East-GeoBrugg	

12:58 pm	1:28 pm	Break/Networking		
1:28 pm	1:42 pm	Canadian Financing and Services for Mining in the KSA and MENA	Jeffrey Steiner Chairman - CSABC	Session 3
1:42 pm	2:02 pm	Automation : Holistic optimization in mineral processing plants	Sohail Nazari Director of digital transformation - Andritz	
2:02 pm	2:17 pm	Sharing Best Practices of Digital Transformation in Mining	Bernardo Marinho Global Sales Manager -Siemens Minerals Digital Solutions	
2:17 pm	2:51 pm	Mineral Exploration and Value Adding Machine	Graham Duncan Senior Geologist - Minrom Consulting	
2:51 pm	3:01 pm	Data Acquisition for Remote Condition Monitoring and Industrial Analytics.	Doyle Taylor CEO/Owner - Monico	
3:01 pm	3:13 pm	Mineral Exploration Remote Sensing for Precious, Base and Battery Metals	Dan Taranik Managing Director - Exploration Mapping	
3:13 pm	3:30 pm	Mineral Exploration and the Qualified Person	Al Workman Senior VP Operations - WGM	Session 4
3:30 pm	3:53 pm	Future technologies & trends : Blasthole and Exploration Drills	Mithunraj paranthaman PRD Rigs - Global Business Development	
3:53 pm	4:11 pm	R&D and innovation applied to mineral processing - Key issues for the industry: energy, water and environment	Gianni Bartolacci Director of Business Development - Corem	
4:11 pm	4:26 pm	Accelerating Meaningful Change	Mr. Paul Wiatr Nalco Water - An Ecolab Company - Senior Marketing manager,Global Mining	
4:26 pm	4:44 pm	How technology is shaping the future of Arabian Mining?	Michelle Ash CEO - Geovia - Dassault Systemes	
4:44 pm	5:02 pm	Developing a low CAPEX, high margin potash project in Morocco.	Graham Clarke CEO - Emmerson PLC	
End of Day 1				

Day 2(Feb 25 2021)

From	To	Session	Speaker	Description	
10:00 am	10:03 am	Welcome Remarks by Organizer		Welcome Remarks	
10:03 am	10:16 am	Copper wire rod market developments in MENA	Jonathan Barnes (Principal Consultant, Copper) - Roskill	Session 1	
10:16 am	10:35 am	Tailings Management in Digital Era	Rohan Koenig Principal Digital Lead- GHD		
10:35 am	10:49 am	Leveraging digitalization to revolutionize mining	Dr. Muneer Zuhdi Partner Bell Labs - Nokia		
10:49 am	11:05 am	Automation: Integrated Engineering, Integrated Operations	Mark Yseboodt Global Sales Manager- Siemens AG Germany		
11:05 am	11:20 am	Fostering employee engagement in the challenging period	Ibrahim Al - Amer Senior VP Human Capital - Ma'aden		
11:20 am	11:36 am	GAF in the Mineral Sector Satellite Data and Data Products	Andreas Uttenthaler Head of Elevation Products Group - GAF AG		
11:36 am	11:42 am	Innovative Technologies For The Planet (A Global Partner For Key Industries that Shape The World)	Nivek Lallbadhur Regional Sales & Business Development Director - Andritz		
11:42 am	11:59 am	Qanaq, Your third eye on the global market	Begum mermeroglu Qanaq Consultancy - chairman		Session 2
11:59 am	12:30 pm	How do we create a safer environment with the new EV and HEV systems	Anders Gulliksson R & D Manager - Dafo Vehicle Fire Protection		
12:30 pm	12:44 pm	MineScope: Satellite Intelligence For Tailing Storage Facilities.	Adam Thomas Head of Minerals & Mining -CGG		
12:44 pm	1:04 pm	Insights into the energy & environment focussed economic future	Alan Clegg (Independent Chairman & Director Of Resources Companies)		
1:04 pm	1:32 pm	Break/Networking			
1:32 pm	1:49 pm	New mining codes in the Arab world. New govt studies encouraging FDI	Malak Khalil Senior Associate - Adsero	Session 3	
1:49 pm	2:03 pm	Water management and monitoring in mining	Christian Abouzeid BDM Africa & Middle East - InSitu		

2:03 pm	2:18 pm	Sustainability challenges in the Mining sector and strategies to mitigate them?	Mohammed Al-Ghadhbani Manager, Standardization, Sustainability Assurance-Ma'aden	
2:18 pm	2:40 pm	Macro Trends in Commodity Prices.	Fred Jones PAN Pacific Resource Investments - CFO & Director	
2:40 pm	3:04 pm	O Pitdev - Optimization technology in drilling operations for Quality blasts	Leonor Feio Executive Account Mining Engineer - O Pitblast	
3:04 pm	3:22 pm	Development priorities & perspectives for industrial mineral resources	Clive Mitchell Industrial Minerals Geologist - British Geological Survey	
3:22 pm	3:33 pm	Australian Mining Capabilities/ How can Arabian mining benefit from Australian mining expertise and experience	Abed Hakmi Senior Resources, Energy, & Advanced Manufacturing Manager (MENA) - Australian Trade and Investment Commission (Austrade)	Session 4
3:33 pm	3:48 pm	Welcome to the new commodity super cycle and the need to do things better	Derek wood PAN Pacific Resource Investments -Chief Corporate Development Officer and Director	
3:48 pm	4:08 pm	Why geoscience data holds the key to digital transformation across the mining lifecycle?	Luke Stewart Regional Director - Seequent	
4:08 pm	4:26 pm	Hyperspectral Mineralogy Solution	Aaron Cumashot Vice President -SpectIR LLC Mike Donze Geological Manager EMEA - Terracore	
4:26 pm	4:41 pm	Strategies for Cost Savings in Tailings Systems	Nicholas Chiknaikin Mechanical Engineer - Pump & Flow	
4:41 pm	5:07 pm	The Role of Big Data Analytics in Mining	Thabiso Manamela Graf-in Tech - Co Founder	
5:07 pm	5:10 pm	Closing remarks by the organiser	Shariq AbdulHai CEO - Valiant Business Media	Official Closing
End of Day 2
