

Friday June 18, 2021	Track 1	Friday June 18, 2021	Track 2
Time - Duration		Time - Duration	
2-3 pm SGT	What's Cooking in Cataract?	2-3 pm SGT	Problem Solving in Clinics, Business and Life
	1. FLACS is improving by Dr. Harvey Uy		1. Retinawesome, 4k video and staying connected with colleagues in challenging digital times by Dr. Hudson Nakamura
	2. Yippie Aye Yay: Flanged prolene solutions for complex cataract surgeries by Dr. Cathleen McCabe		2. Impact of COVID-19 pandemic on clinical and community ophthalmology by Dr. G.V. Rao
	3. Make my phaco fly by Dr. Florian Kretz		3. Daddy, can fish swim in the rain? - or the creative process in ophthalmic innovation by Luis Diaz-Santana
			4. Transform and lead the way : Life lessons from my favorite movie 'Kung Fu Panda' and how I applied it to myself by Prof. Dr. S. Natarajan
3-4 pm SGT	Tricky Procedures: Wars, Storms and Celebrities ... Oh my!	3-4 pm SGT	Adaptica Corporate Symposium
	1. My 15 minutes of fame: Flattening a Prime Minister's retina by Dr. Richard Packard		1. Introduction to Adaptica's product portfolio and benefits by using AI-enabled devices in ophthalmic/optometric practice by Vasileios Skountis
	2. Performing surgery during stressful situations by Dr. William Trattler		2. Application of Adaptica 2WIN-S Vision Screener in China by Dr. Liu Ziming
	3. World's largest series: pellet ocular trauma - Operating during civil strife in Kashmir by Prof. Dr. S. Natarajan		3. Optimizing Workflow and Time Inside the Clinic Using Adaptica 2WIN-S A.I. Powered Vision Screener by Dr. Harvey Uy
			4. Comparing School-Aged Refraction Measurements Using the 2WIN-S Portable Vision Screener in Relation to Cycloplegic Retinoscopy by Dr. Emmanuel Eric Pazo
4-5 pm SGT	A Pinch of Posterior Segment Insight	4-5 pm SGT	Arunodaya Deseret Eye Hospital (ADEH): COVID-19, Mucormycosis (Black fungus), and Other Pandemic Issues Affecting Ophthalmology Practice
	1. Visual changes in COVID-recovered patients on OCT angiography: Real or imagined? by Prof. Gemmy Cheung		1. Impact of COVID-19 on ophthalmic practice by Dr. G. N. Rao
	2. Fluid atrophy and fibrosis in wet AMD by Prof. Mark Gillies		2. Dont mask away the smile ... give before they give up: The Arunodaya project by Dr. Arun Sethi
	3. Post-COVID 19 sub-retinal abscess by Dr. Alay Banker		3. Virus wars 2.0: COVID-19 and the Arunodaya battle plan by Dr. Aditya Sethi
			4. Financial impact of COVID-19 in India by Dr. Denny John
			5. Fungi in the covid jungle: Mucormycosis and COVID-19 in my OPD by Dr. Parul Lokwani

Friday June 18, 2021	Track 1	Friday June 18, 2021	Track 2	
Time - Duration		Time - Duration		
5-6 pm SGT	ASEAN Ophthalmology Society (AOS): The Pandemic's Impact on ASEAN Ophthalmology <i>Moderator: Dr. Paisan Ruamviboonsuk</i>	5-6 pm SGT	Arunodaya Deseret Eye Hospital (ADEH): Cutting Edge Practices in Ophthalmology 1. Changing shock into surprise: Dealing with IOL refractive surprises by Dr. Reena Sethi 2. Treating aphakia with secondary IOL options: The VR surgeon's approach by Dr. Vaibhav Sethi 3. Special strokes for the little folks: Pearls in perfecting cataract surgery in children by Dr. Aditya Sethi 4. When a small eye becomes a big problem! Phacoemulsification in nanophthalmic eyes : A video presentation by Dr. Sahebaan Sethi 5. COVID-19 and the eyes by Dr. Neha Gandhi	
	1. COVID-19 and dry eye by Dr. Rina La Distia Nora 2. Ophthalmology practice challenges during the Covid 19 pandemic: A Malaysian Perspective by Dr. Miswan Muiz Mahyudin 3. Ophthalmology practice in the Philippines in time of pandemic by Dr. Jessica Abaño 4. COVID-19 and Ophthalmology practice in Thailand by Dr. Pimkwan Jarupornpan			
	New Society LAUNCH!: Subthreshold Ophthalmic Laser Society (SOLS) - Do We Still Need Subthreshold Laser for Macular Diseases? <i>Moderator: Dr. Kenneth Fong & Dr. Victor Chong</i>		6-7 pm SGT	Recipes for Results in Cataract and Refractive Surgery 1. When SMILE becomes a FROWN: Managing complications of SMILE by Dr. Sheetal Brar 2. Results of comparison between gauge ultrathin wall and 27-gauge in sutureless intraocular lens flanged technique in diabetic patients: 24-month follow-up study by Dr. Matias Igllicki 3. Which IOL to use in patients that had previous refractive surgery? by Dr. William Trattler 4. "No wiggle, no cry": Cataract surgery in PXF (pseudoexfoliation) patients by Dr. George Beiko
	1. What is subthreshold laser? by Dr. Lihteh Wu 2. Subthreshold laser for CSCR by Dr. Jay Chhablani 3. Subthreshold laser for DME by Dr. Alejandro Filloy Rius 4. Panel discussion on different technologies, treatment guidelines, combination use with anti-VEGF, pearls and pitfalls			
	Starting, Managing, Innovating, Expanding: How to Build a Solid Ophthalmic Clinic and Grow It - Supported by OIS			7-8 pm SGT
1. Challenges and tips on setting up and managing a private eye center in Malaysia by Dr. Kenneth Fong 2. Challenges and tips on setting up a private eye hospital group in Indonesia by Dr. Sjakon Tahija 3. Challenges and tips on setting up a private eye hospital group in China by Dr. He Wei 4. Challenges and tips on setting up the biggest eye hospital in Mumbai - Financial and Commercial capital of India by Prof. Dr. S. Natarajan				

AGENDA

Saturday June 19, 2021	Track 1	Saturday June 19, 2021	Track 2
Time - Duration		Time - Duration	
2-3 pm SGT	Rolling Out Updates in Retina	2-2.30 pm SGT	A Spoonful of Scientific Research
	<i>Moderator: Dr. Kenneth Fong</i>		1. Controlling intraocular pressure with novel patented nano-designed implants/gels by Dr. Indu Pal Kaur
	1. The beauty and usefulness of imaging with intraoperative OCT by Dr. Barbara Parolini		2. Mitochondrial delivery of RNA and DNA: towards mitochondrial gene therapy of optic neuropathies by Dr. Volker Patzel
	2. Diabetic macular edema management in Asian population by Dr. Augustinus Laude		
	3. Updates on AI for retinal diseases by Dr. Paisan Ruamviboonsuk		
3-4 pm SGT	Get Smart: On Education & Attitudes in Ophthalmology, Part 1	2.30 - 4 pm SGT	Young Ophthalmologists Society of India (YOSI) - Ophthalmology Training, Education & Practice During A Pandemic
	1. From surgeon to artist to maverick: Are you ready? -- A Gulani masterclass by Dr. Arun Gulani		1. Dr. Digvijay Singh
	2. Peace and trauma in the mountains of South Africa by Dr. Sanushka Moodley		2. Dr. Diva Kant Misra
	3. The alternative glaucoma toolkit: Chocolate, tea and meditation for disease control by Dr. Sahil Thakur		3. Dr. Ashrafal Huq
			4. Dr. Chee Wai Wong
			5. Dr. Jubaida Aquino
			6. Dr. Charisse Sanchez-Tanlapco
			7. Dr. Hung-Da Chou
			8. Dr. Sonal Kalia
			9. Dr. Apoorva Ayachit
			10. Dr. Bhaskar Jha
			11. Dr. Jeremy Kwok
		12. Dr. Mayse Alkilany	
4-5 pm SGT	Get Smart: On Education & Attitudes in Ophthalmology, Part 2	4-5 pm SGT	Eye Care Thought Leadership from Chinese Young Ophthalmologists -- Supported by He Vision Group
	1. Democratizing global education: A seismic shift in attitude by Dr. Ken Nischal		1. Can the youth visualize the future? by Dr. He Xingru
	2. KERATOCONUS to 20/20: Think outside the CONE! by Dr. Arun Gulani		2. Myopic susceptibility gene screening in China by Dr. Hu Lan
	3. From Fez to Fedora: The many hats of ophthalmology by Dr. Cathleen McCabe		3. The eye and stem cells: The path to treating blindness by Dr. Zhang Mingqi
	4. The Zagbo Happy Hour: Prestigious Indian doctor + southern USA cartoon talk show host = ?		4. China's national training base for the prevention of blindness by Dr. Yan Chunhong

AGENDA

Saturday June 19, 2021	Track 1	Saturday June 19, 2021	Track 2
Time - Duration		Time - Duration	
5-6 pm SGT	Piping Hot Anterior Segment Topics	5-6 pm SGT	Russian Ophthalmology Society (ROS) Presents Reconstructive Surgery, and More!
	1. Managing presbyopia in my practice: No problem! by Dr. Sheetal Brar		<i>Introduction by Prof. Boris Malyugin</i>
	2. Cataract surgery: 6 Tips for unusual situations by Dr. George Beiko		1. Reconstructive surgery: Correction of iris defects of various origins by Dr. Marina Shanturova
	3. We all deserve second chances: Modular and multicomponent IOLs by Dr. Harvey Uy		2. Primary inferior oblique muscle overaction: Clinical manifestations, diagnostics, treatment by Dr. Varvara Pushchina
	4. The drug compliance conundrum: A case for glaucoma diaries by Dr. Sahil Thakur		3. Anterior segment reconstruction in closed angle glaucoma by Dr. Dmitry Ivanov
		4. Prevention of ocular reperfusion syndrome in patients with chronic ischemic retinopathy associated with hemodynamically significant internal carotid artery stenosis after carotid endarterectomy by Dr. Vladislav Tuzlaev	
6-7 pm SGT	Vitreo Retina Society of India (VRSI): When Retinal Disasters Happen, and More	6-7 pm SGT	MARKETING SESSION: Get Noticed Now
	<i>Moderator: Dr. Subhendu Boral</i>		1. What questions to ask to shape your ophthalmic business by Nikki Hafezi
	1. Disasters in cataract surgery: Retinal surgeons to the rescue! by Dr. Hussain Khaqan		2. Finding the color within and letting it out by Dr. Kristie Nguyen
	2. All roads lead to Rome: Various ways and techniques in applying glued IOLs by Dr. Vishal Agrawal		3. The Backstory Behind my "Banana Suit" Success by Matt Young, CEO and Publisher, Media MICE
	3. COVID-19 and the retina: The retinal complications of COVID-19 by Dr. Ritesh Narula		
	4. No oil, no gas: Glue-assisted retinal detachment surgery by Dr. Mudit Tyagi		
Panel: Dr. Shobhit Chawla, Dr. Raja Narayanan, Dr. Anand Rajendran			
7-8 pm SGT	Enhanced Refractive Screening with Scheimpflug Imaging	7-8 pm SGT	ORBIS Singapore Session: The Myopia Epidemic in Asia Pacific
	<i>Moderator: Dr. Rohit Shetty</i>		<i>Moderator: Matt Young</i>
	1. Intro: Enhanced refractive screening: Why and how by Dr. Renato Ambrósio		1. Myopia epidemic: Managing the long game by Richard White
	2. Corneal biomechanics in 2021 by Dr. Riccardo Vinciguerra		2. Correcting RE and its impact on achieving the Sustainable Development Goals in the Asia-Pac region by Dr. Nathan Cogdon
	3. Biomechanics to the rescue in complex cases - A case based approach by Dr. Rohit Shetty		3. The complications of high myopia/pathologic myopia by Dr. Wong Chee Wai
4. Integrated Scheimpflug imaging by Dr. Renato Ambrósio	4. What are the optical options in managing myopia across Asia Pacific region 2021 and beyond? by Dr. Oliver Woo		
		5. Myopia - a call to action by Dr. Monica Jong
