

BOOTH OPPORTUNITIES

Reserve Your Spot Today!

Be a part of the **First Annual Virtual Business Conference & Expo** on May 11-13, 2021 as the U.S.-Ukraine Foundation continues its highly-successful conference series, **UKRAINE IN WASHINGTON and beyond: Powering Partnerships Through Innovations and Start-Ups**.

You can participate in this unique event focused on Ukraine and its economic development by reserving a booth to showcase your company, organization, or government department/agency.

Reserving a booth offers you a unique opportunity to showcase your products, services, programs, and regional development efforts with these special benefits:

- Reaching a global audience without the need to travel
- A tremendous savings versus exhibiting at an in-person trade show
- Careful targeting to an audience focused on Ukraine and its economy
- Marketing that allows you to easily connect with online conference attendees

Your conference exhibit will remain online for three months after the actual event takes place. This ensures your organization can maximize its inexpensive cost to achieve the best marketing results and earn the best return on investment.

Level One \$1,500	Level Two \$750	Level Three \$350
