

#YCCExpo

— ALL VIRTUAL — YOUTH COLLEGE & CAREER EXPO

November 18-19, 2021
8:30am-3pm • yccexpo.vfairs.com

What is YCCExpo?

The Youth College and Career Expo (YCCExpo) is a career exploration experience for students 4th-12th grades to:

- **Learn** about the region's broad range of careers & the pathways to get there
- **Hear** from diverse voices sharing experiences & tips
- **Meet** leading employers, colleges & training programs virtually

Why attend YCCExpo?

YCCExpo is a place to learn about colleges and careers and hear from employers about next steps after graduation. In addition, you can:

- Take away materials and resources in your **digital "backpack"**
- Win cool prizes and swag gear by visiting virtual booths and attending seminars
- Return to learn more for **30 days** following the event
- Participate in a mock interview

How do you attend?

Let's Grow STEAM^x invites educators and 4th-12th grade students in Southwest Georgia to register and attend.

Students, let your teacher or counselor know you're interested in attending! Once registered, you will use your email address to access the all virtual event.

Questions? Email LGSx at yccexpo@letsgrowsteam.org

FEATURING KEYNOTE SPEAKER

Aisha Bowe

Aisha Bowe is a former NASA rocket scientist, motivational speaker and serial entrepreneur. Her seven-figure companies have been recognized by Inc. Magazine and her clients include tech giants such as: Microsoft, GE, and Siemens — all without outside capital. As an aerospace engineer who started her degree with pre-algebra in a community college, Aisha is on a mission to help youth break stereotypes, stop internalizing false narratives and pursue careers in STEM (science, technology, engineering, and math).
