STUDENT HOUSING

2025 | FRESHMEN HOUSING GUIDE | 2026

WELCOME, LOBOS!

Living on campus isn't just about having a place to sleep. It's about diving in to everything The University of New Mexico has to offer.

Students who live on main campus for at least one year are more likely to stay in school, they get better grades, AND they graduate sooner. With 7 residential communities, *you* can choose the best fit to suit your lifestyle and budget.

This is where life-long friendships are born, memories are made and personal networks begin.

Living on campus helps you genuinely identify as a Lobo. You're part of the pack. Welcome to UNM!

UNM Housing is where memories are made, life-long friendships are born and networks begin.

Traditional Style:

**Hokona
Santa Clara
Alvarado
Coronado**

Traditional style is what comes to mind when you think of a typical college dorm. Like in the movies!

Suite Style:

Laguna DeVargas

Similar to traditional style but organized in suites for a bit more privacy but the same community atmosphere.

All main campus residence halls satisfy the Freshman Residency Requirement.

PET-FRIENDLY

UNM Housing has designated two pet-friendly residential options for Resident Lobos to select from, to live with your approved pet. A supplemental application is needed, with additional pet charge. There are some restrictions for species, breeds and size. All pets must be approved by UNM Housing, and it is always a good idea, too, to coordinate with your future roommates.
