Or you could gain further certificates in more advanced equipment (larger capacity forklift truck)

We wish you every success with your career and thanks for choosing Mainstream Training!

Is this course for you?

This course is ideal for individuals wishing to gain or further their experience in the warehouse sector and other industries requiring the use of a forklift truck. There are shortages of skilled workers in these sectors and our training could open the way for you to enjoy a reliable and well paid career. Upon successful completion of this course you will gain a forklift truck certificate which will be valid for up to five years

This course is usually free of charge

Our courses are usually free to you, if you are either; unemployed and in receipt of employment and support allowance, jobseekers allowance or universal credit; or aged between 17 and 24 and not in employment, training or education.

If you are employed and earn less than the Social Mobility Commission's low wage threshold (£17,374.50 for 2021/22) you might also be eligible for full funding, if this applies and you are interested in this course, speak with your employer and suggest that they contact us.

Help with the costs of personal protective equipment and travel

You will need to bring along, steel cap boots and a Hi-Viz vest, your Hi-Viz vest will need to be big enough to fit over your outer clothing including any coat you wish to wear.

Your Job Centre advisor will usually be able to assist you with the cost of personal protective equipment and also with the cost of your travel to our training centre in Sittingbourne, so please make sure that you speak to them in good time, well before the start of your course.

Your first day

Once you have registered for this course we will call you to agree and confirm your start date, so please look out for our call. Your training times are 8.15 am to 4.30 pm. Free tea, coffee and water are available at our training centres.

Helping you to find a suitable job

Make sure to call into our on-site employment agency for a chat about finding a job, they will be pleased to assist you with progressing your career within the logistics sector, as well as opportunities as a forklift truck operator, additionally they are always looking for motivated and hard working individuals looking to work as couriers, LGV drivers, drivers mates, streetwork and groundwork operatives, and in numerous industrial and warehousing roles.
