Our maths and English courses can help you develop the skills you need to live, study and work. You'll learn to apply numeracy and literacy in real-life situations. These Functional Skills qualifications are recognised by an increasing number of employers and could be useful in a wide variety of career choices.

Sessions are taught on mornings or afternoons, on various days of the week, we can develop an individual plan for you dependant on your shift patterns.

## Entry Requirements

There are no entry requirements to undertake these qualifications. However, before starting the course you will be asked to do an assessment to make sure you are placed on the right level of course.

## How much does it cost?

FREE (if you have not yet achieved a level 2 qualification in English or maths, such as a C grade at GCSE).

## How will I be assessed?

To achieve the qualification you will need to complete up to 3 assessments, these will take place at Enterprise House and can be completed on-line or on paper.
