## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

Our English for Speakers of Other Languages (ESOL) courses can help you to improve your English reading, writing, speaking and listening skills.

We offer Level 1 and Level 2 courses online with support from an expert trainer.

## ONLINE LEARNING FOR ADULTS

### Web Development

We offer both Level 3 and Level 5 qualifications in Software and Web Application Development.

With no previous experience or qualifications necessary and fully supported by the Code Institute, you could be entering this well-paid, high demand industry in less than a year.

### Functional Skills in Maths and English

Our Functional Skills courses enable you to gain a qualification equivalent to GCSEs in English and/or mathematics. Learning takes place online over seven days, with an in-person assessment at one of our local training centres on day eight.

### Short Courses

We offer a wide range of accredited short courses in subjects such as, Customer Service, Warehousing and Storage, Organisation Management, Health and Care, and Digital Skills to name a few.

Courses start from as little as a few hours to eight weeks to complete, each designed to provide the training and support for your next steps.

Check with us for funding eligibility.

## 16-18 EDUCATION

It's not just adult education we offer- we are proud to be responding to the evolving needs of East Kent with a range of courses for school-leavers too.

## BESPOKE TRAINING

Developing existing staff is a fantastic way to improve employee satisfaction, promote innovation and mitigate the skills crisis.

We offer a range of training solutions to meet the needs of your business, including bespoke packages.
