

## REFRESH YOUR CAREER

If you are looking to retrain in a new industry, we can help!

**Are you seeking to retrain in an exciting and creative industry?**

**Then look no further - because we can help!**

At Folkestone College, we offer a Level 2 Hairdressing course.

This course develops key skills, such as consultations, learning how shampoo and conditioner affects the hair and scalp, as well as cutting and colouring techniques.

This course is part-time which allows you to retrain, while also fitting your studies around your current commitments!

If you are looking to embark on a fresh start and a new career in hairdressing, then we would be delighted to hear from you!
