

FUNCTIONAL SKILLS MATHS & ENGLISH

IntoWork recognises that achieving maths and English qualifications improves employment opportunities, promotes confidence and self-belief.

We offer support, teaching and guidance to achieve this.

- Study online from home with direct tutor support;
- Join classes via computer or mobile;
- Learn English & maths;
- Levels from Entry (beginners) to Level 2;
- Minimum 2-hour sessions with mandatory home study;
- Some classroom sessions available based on assessment;
- Additional support from experienced friendly tutor;
- Develop your confidence and skills;
- Recognised qualifications valued by employers;
- A stepping-stone to work and further qualifications;
- First course starts in September with further courses starting throughout the year.
