

GLOBAL VIRTUAL CANCER CONFERENCE

NOV. 13-14
WWW.GVCC20.COM

Join us Nov. 13-14 to *empower yourself* through connection, education and advocacy!

WHO IS GVCC20 FOR?

Created by cancer survivors and caregivers, GVCC20 welcomes anyone touched by cancer to join us for this free, virtual interactive event, including:

- Patients and Survivors
- Caregivers
- Friends and Family
- Healthcare Professionals
- Patient Advocacy Organizations
- Healthcare Industry Representatives

WHY ATTEND GVCC20?

GVCC20 is designed to empower attendees through connection, education and advocacy. Through two days of interactive programming, attendees will:

- Gain knowledge on topics of relevance, including cutting-edge research in cancer treatments, the importance of self-advocacy and the difference patients can make in the industry;
- Hear compelling keynotes from well-known and inspirational cancer survivors;
- Participate in conversations about health equity and how to make meaningful change in our healthcare systems;
- Access resources from patient advocacy groups in our Virtual Exhibit Hall and through a live Clinical Trial Fair;
- Connect with fellow patients, survivors and caregivers in a supportive environment; and
- Enjoy some fun, self-care activities including dance lessons, fitness classes and writing exercises.
