## ACTIVITY AT A GLANCE

This lesson is intended to be a one session overview of the JA Inspire Career Fair Platform. Participants will complete the pre-survey, the career interest inventory, and the post-survey.

## KEY TERMS

**JA Inspire**
Virtual career exploration fair that allows participants to explore the careers of their interest.

**Career Clusters**
A career cluster is a grouping of jobs and industries related by skills and products. If you're interested in a particular job in a cluster, there are probably related careers that would interest you.

**Career Interest Inventory**
Assess personal skills, abilities, aptitudes, strengths, and weaknesses as they relate to career exploration and development

# JA INSPIRE CAREER EVENT: ALL IN ONE LESSON

**Duration**: 1 hr. 30 min. | Middle School / High School & Beyond

**Objective:** Students will identify career clusters that are aligned with their skills and interests. They will explore the JA Inspire platform and visit exhibitor booths aligned with those clusters and reflect on their experience with JA Inspire. Students will provide feedback about the program.

## ACTIVITY DETAILS

1. Please complete the pre-survey using the following link: Pre-Survey

2. Please complete the Career Interest Inventory.

- JA Here to Career website: https://career.ja.org/citi
- Set area to Northern California or 109404.

3. Allow 10 -20 minutes to complete the Career Interest inventory.

Note: To save the results of their Career Interest Inventory or save favorite careers, participants must create an account on the site. If participants have an existing JA username and password, they can use it to log in.

4. Log into the JA Inspire platform: *https://inspirejanorcal.vfairs.com/*

*Participants are encouraged to visit three booths that are aligned to the career clusters that the inventory identified as areas of interest. You are welcome and encouraged to explore other exhibitor booths, the JA Lounge and the Auditorium.*

5. Please complete the post-Inspire survey using the following link: Post-Survey

## CLOSING

After taking the career interest inventory and exploring the JA Inspire Platform...

*What career sparks your interest?*
